Global Leadership Training for Politicians and Community Leaders

The focus on political excellence and congenial international relationship has become very important for global sustenance. The true development in the economy of a country and its people's worth rests in the hands of political leaders and bureaucrats. The leaders require the ability to foresee a positive future for their country and work towards it on a continuous basis, gaining the trust of their people and taking them to a superior level of living standard.

The 4 days programme is aimed to provide training in several areas like leadership, emotional intelligence, mindfulness, blue ocean strategy, mentoring and coaching, international relations, innovation and quality, fiscal policy and macro economics. The training will provide the leaders a strong base to deal with public and facilitate them in exhibiting a high level of leadership excellence.

The Centre for Leadership conducts leadership training in many countries like UK, Germany, Dubai, Nigeria, Ghana, Malaysia, Bangladesh and India.

Leading for Results

- ✦ Leadership for Politicians and Community Leaders

BSA CRESCENT INSTITUTE OF SCIENCE & TECHNOLOGY

B.S. Abdur Rahman Crescent Institute of Science and technology is a leading research university located at the smartest and greenest spot of Chennai near Vandalur. Through our long history of 34 years of excellence, the University has offered access to a wide range of academic and research opportunities. Being an anchor institution in Chennai accredited with grade 'A' by NAAC in the very first cycle, it has attracted quality students nationwide. This institution is an intellectual destination that challenges conventional thinking and stimulates passion to redefine learning. With NBA accredited UG and PG programmes, ranked 79 among engineering colleges in India by the National Institutional Ranking Framework (NIRF) in 2018, this institution invokes and instils a sense of inspiration among students to achieve and compete themselves with a higher benchmark. Crescent is fourth in India, to receive an overall 4 QS Star rating and 5 QS Star rating on 4 parameters viz., Teaching; Employability; Facilities and Inclusiveness. The Quality Management System of the institution confirms to the ISO standards and is certified by the Det Norske Veritas, Netherland.

CENTRE FOR LEADERSHIP

The Centre for Leadership is initiated with an objective to improve the scholastic, leadership and behavioural quality of human resources who build business and nation. The Centre provides exclusive training on Leadership to professionals of all streams, be it, corporate executives, senior administrators of schools and higher education institutions, faculty members, students, community leaders and bureaucrats. The centre takes all effort to bring about positive transformation in their trainees and make every event it hosts, a very interesting and memorable one.

Our uniqueness lies in our training content and delivery style, most importantly in our adaptability to client's requirements. The faculty directors, trainers and speakers of the Leadership Centre, own a very strong profile and are hard core expertise in their area of training. The Chief Mentor and Principal Trainer of the Centre for Leadership, Vice Chancellor, Tan Sri Professor Sahol Hamid recently imparted Leadership Training to Senior Administrators at Oxford, UK during "University Governance and Leadership Programme" held in December 2018. He was also the Principal Trainer of Global Vice Chancellor's Training for University Administration and Management held during August 2018 at our University Campus. Professor Sahol Hamid is an alumnus of INSEAD, France.
