

ABOUT THE INSTITUTE:

B.S. Abdur Rahman Crescent Institute of Science and Technology is a renowned Quality Leadership Institution located at the greenest spot of Chennai near Tambaram. Through our long history of 36 years of excellence, the Institution has offered access to a wide range of academic opportunities. With 49 programmes, grouped under 12 different Schools, 29 Undergraduate programmes, 20 Postgraduate programmes, and Ph.D. (in all the departments), this institution is a rising stalwart in higher education with promising Quality, Security and Placement. We welcome students from all countries and our educational programmes are designed to equip the learners with virtual knowledge that helps them to achieve what they want to be and go where they want to go in the ladder of success.

ABOUT THE DEPARTMENT:

The Department was established in the year 1994. It offers Under Graduate programme B. Tech-Electronics and Communication Engineering and Post Graduate programme – M. Tech VLSI & Embedded Systems. The department has an optimum blend of staff members with Research & Development, Industrial and Academic experience. The department has signed a MoU with National instruments, Bangalore & developed the state-of-art “Competency Development Program (CDP) Lab” in the year 2017. **NI LabVIEW Academy** offer Value added courses on Certified LabVIEW Associate Developer (CLAD) & Certified LabVIEW Developer (CLD). The department signed MoU with various industries like NOKIA, Jasmin Infotech Private Limited. The Department provides consultancy support to academicians & industries in the field of Embedded application design and Antenna design.

ABOUT ONLINE CERTIFICATE COURSE ON CLAD:

The Certified LabVIEW Associated Developer (CLAD) is the first level of professional certification for LabVIEW programming, represents a level of mastery of LabVIEW at which a person with minimal oversight can use LabVIEW for acquiring and interpretation of data, create small Vis, edit medium-sized VIs and Contribute elements to large VIs and Projects.

OPPORTUNITIES FOR CLAD:

- As Software developers requiring LabVIEW skills (Certification will be an indicative of the level of programming skills for this position)
- Companies like Siemens, General Electric Corporation, Delphi recruit candidates with experience in LabVIEW.
