Preamble:

“Learning gives Creativity, Creativity leads to thinking, Thinking provides knowledge, Knowledge makes us Great”. Quiz competitions are always interesting and informative, which provides more excitement and also make participants aware of the given topic. Department of Computer Science and Engineering planned to organize a quiz competition on the eve of World Intellectual Property Day(26 April) to test the knowledge of faculty members on the various process involved in it.

A total of 20 questions were framed on various IPR processes involved in Copyrights, Patents, Trademark, Name and the quiz was held online using google forms. A total of 53 participants participated in this online quiz competition.

Post completing the test participants were intimated with their score for the test they have taken and an E-Certificate has been sent to their registered email id. Participants from 15 various institutes attended this quiz competition.

Outcome:

The take-home for the participants is more awareness about a lot of changes in the IPR process. Having clarity on various property rights of different streams. Curiosity to browse and acquire more knowledge about the process. This online quiz competition has encouraged the participants from various institutes to have a zeal to update themselves.

Acknowledgment:
