The report discusses about the following aspects with respect to the session

1. Webinar poster
2. Instagram page
3. Preamble
4. Key notes
5. About Speaker & Chalkpiece
6. Session Screenshots
7. Feedback from participants
8. Participants list

SOCIAL AWARENESS CLUB

1. **Webinar Poster**

SOCIAL AWARENESS CLUB

2.   **Instagram page** **@saccse.crescent**
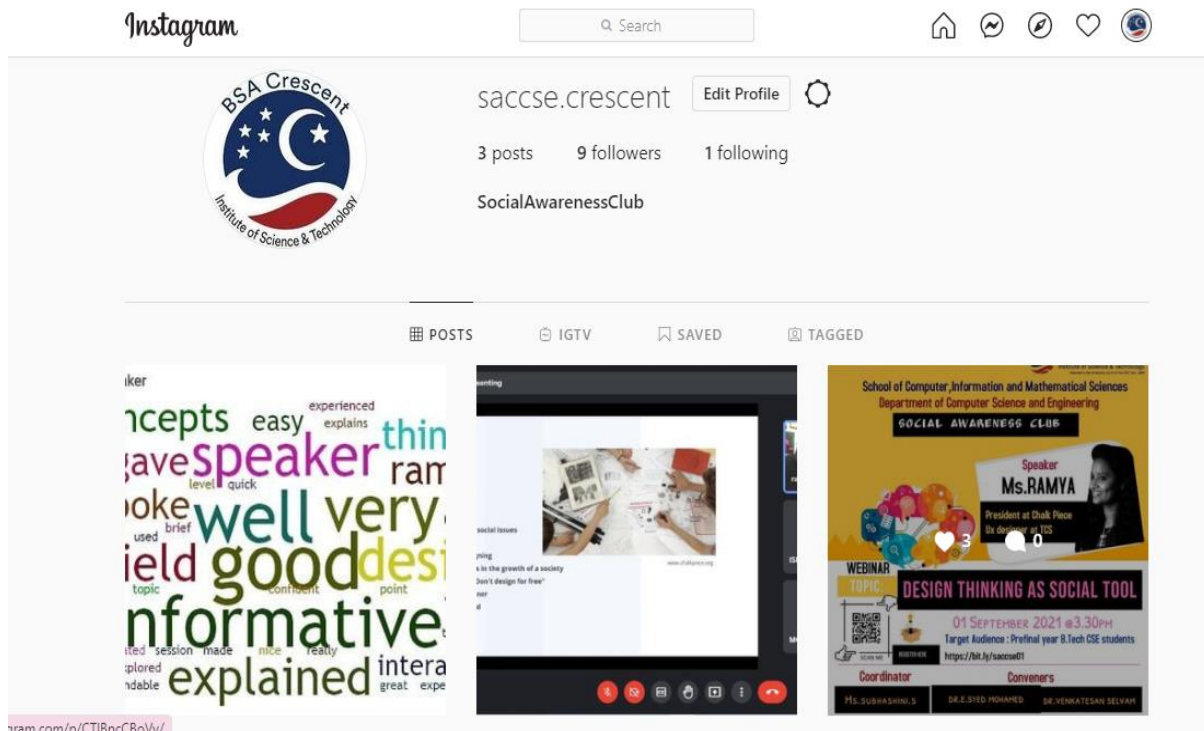

3. Preamble

A conventional designer concentrates in acquiring technological advancements but ignorant of social issues. Being an environmental designer is more important than being an experienced designer. Social design is completely based on the environmental issues and the importance of giving solutions to such problems through design.

Design thinking skill is one of the skill most required for any individuals to solve the problem and give an innovative solution.

4. Key notes

1) Design introduction

2) Design in daily life

3) Importance of EVS

SOCIAL AWARENESS CLUB

4) Role of designers in social issues

5) Design thinking

6) Consistency in designing

7) Support of designers in the growth of a society

8) Change the term , "Don't design for free"

9) Society driven designer

10) Being social minded

5. About Speaker & Chalkpiece

Speaker : Ms.Ramya

A computer science engineering graduate.

Staunch UX designer who never hesitates to take an extra step ahead for satisfactory completion. Perpetual explorer of multifarious dimension in designing. One who constantly stands by the point that UX designing is more than a profession and it should be evolved eternally.

An UX mentor believing in absolute empirical knowledge.

As an initiave to indulge designing to every layman, started a community for designers with a vision to inculcate designing right from schooling.

A social worker who has a realization that preserving Nature and Environment are the fundamental duties of every human being. Running organisation called chalkpiece to make design awareness among people. Also running emagazine thalisangili which spoken about gender sterotype

Chalkpiece

Chalkpiece is a fast growing Non-profit organization which uses design as a tool to identify and solve social problems.

Primary motto is to bring design education as an Academic Syllabus in all schools and colleges and also spread design awareness to all people, especially among school students.
