

PRE-PLACEMENT TALK

M/s. TPI Composite Pre-placement talk conducted by the HR Team for Pre-Meet Session to give an overview about the Organization and nature of employment. Mr.KJagadeesan, HR- TPI Composites addressed to the students.

The screenshot shows a Microsoft Teams meeting interface. The main content is a 'TPI History' timeline from 1968 to 2019. The timeline includes key milestones such as the company's founding, joint ventures, supply agreements with GE, Vestas, and Gearska, and the company's listing on the NASDAQ. A 'People' panel on the right lists 12 participants, including guests and organizers. The meeting controls at the bottom show a duration of 01:48 and the date February 11, 2022. The TPI logo and 'TPI CONFIDENTIAL' watermark are also visible.
