PREAMBLE:

The “**RC Car Competition**” was organized by the Society of Mechanical Engineers of the Department of Mechanical Engineering on 28th November 2022. Dr. H. Siddhi Jailani, Professor and Head of the department welcomed the participants and appreciated the efforts taken by the team. Dr. A. S. Selvakumar, Dean i/c, School of Mechanical Sciences inaugurated the competition. The competition was coordinated by the faculty in-charge Dr. A. Arockia Julias, Assistant Professor Sr. Gr. and the student coordinators Mr. Mohammed Suhail S, Mr. Ajmeer Shan M, Mr. Mohammed Asif and other members of the society. The symposium was funded by the Society of Mechanical Engineers.

The objective of the competition is to inspire students in building electromechanical products and participate in various events conducted in nearby institutions. This shall make them active and involved in the academic and co-curricular activities. About 9 teams comprising of 18 students from Mechanical Engineering department and other departments of the school of Mechanical Science participated in this competition. Faculty members and supporting staff of the department monitored the events and selected the winners. Cash prize and certificates were given for winners and runners. Appreciation certificates were also issues for the fantastic student coordinators who put lot of efforts in preparing and conducting the event. The competition was successfully conducted for the benefit of the students.
