

REPORT ON GUEST LECTURE

ASME STUDENT SECTION

On 18th of November 2022, ASME student chapter conducted a guest lecture series on “Nanostructured thermoelectric materials for energy harvesting” in our department seminar hall. The whole event was hosted by R. Thirumurugan/III year ASME Member. The event started with Qirath (prayer) pronounced by S. Mohammed Asif. The welcome address was presented by Rohan. S/Joint secretary ASME followed by chief guest felicitation by HoD and DEAN School of Mechanical Sciences.

The host gave a brief introduction about chief guest Dr. S. Kumaran Professor NIT Trichy. Dr. S. Kumaran presented his lecture with the introduction about various materials and nano materials, then briefed about the thermoelectric materials which can be used for harnessing energy using the heat generated by the products that we use daily. After concluding the lecture the vote of thanks was given by Ananthakrishnan. M/Seceretary ASME student chapter. More than 40 students (Final year 2019-2023 batch) were attended the lecture. The whole event was organised and conducted by ASME co-ordinator Dr. M. Thirumurugan and ASME student members and office bearers. The event photos are as follows.
