BRIEF REPORT

Date: 03-03-2023

Faculty Development Programme on Funding Agencies

The promotion of sponsored projects and consultancy to Aerospace and Automobile Department faculty held on March 1st, 2023. Director Dr.T.Harinarayana and additional Director, Dr.P.K.Jawahar provided five tips and provided details on problems to be solved, Time schedule, Resources, Budget, About Choosing the Personnel involved in the project, Writing the Report and How to plan the steps 1 to 4.

Dr.T.Harinarayana explained the scope of funding opportunities available with examples in Aerospace and Automobile department to submit the proposal to various funding agencies. He appreciated aerospace department for using DRDO project earlier and encouraged to get more DRDO projects with new innovative ideas. He also appreciated the faculties of both the departments and requested them to spend time to start working on project proposals.

He provided the list of deadlines to apply for project proposal in various funding agencies. He encouraged the faculty to submit more project proposals and discussed with them about the problems they face in submitting the project proposal. He gave the idea of revising the rejected submitted proposals and encouraged the faculty to approach CSD department for revising the proposals and resubmitting to other funding agencies. He shared the Ready Reckoner both hard copy and soft copy comprising of the details regarding 236 funding agencies.

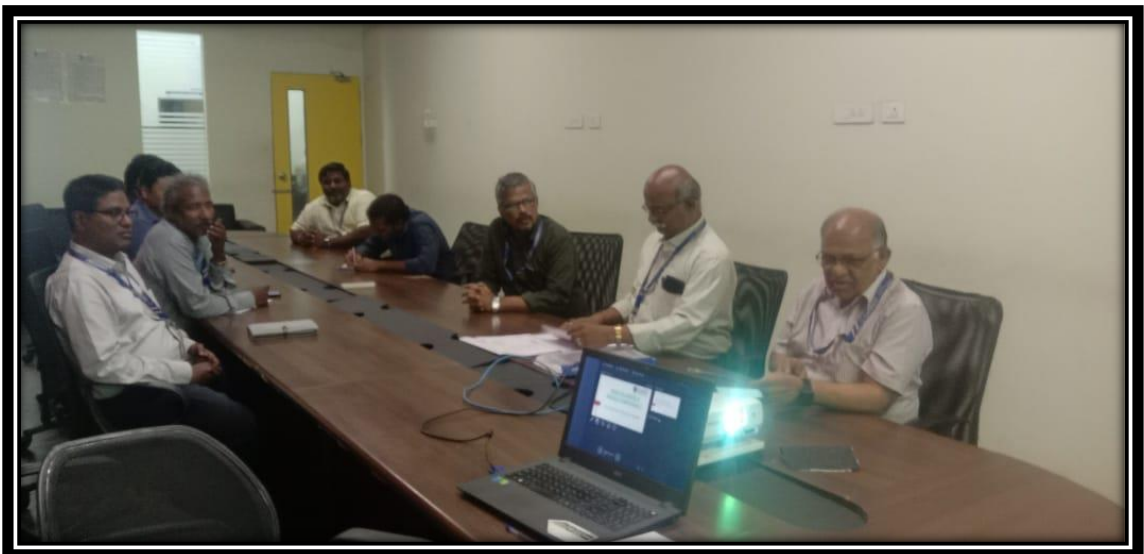

Additional Director, Dr.P.K Jawahar gave information on Global Automotive Research Centre (GARC), National Automotive Testing and R&D Infrastructure Project (NATRiP), DRDO and knowledge initiatives of Automotive Research Association of India. He gave the different online links available for applying in various funding agencies.

Meeting ended with concluding remarks given by Dr. P.N.Kadiresh. The meeting is coordinated by A.Parveen, Research Coordinator.
