IDHU THERIYUMA

"Education is not learnt, it is shared"

We the **Rotaract Club of Crescent**, sponsored by **Rotary Club of Madras Mount** (Rotary International District 3232) has organized an event "**IDHU THERIYUMA**" a Professional Service project. **It is a year long project in which we post the unknown facts in our social media handles.** This project was first commenced on July 22nd 2021 and is still running.

"It's always teachers first before education"

IKIGAI

"All our dreams can come true, if we have the courage to pursue them."

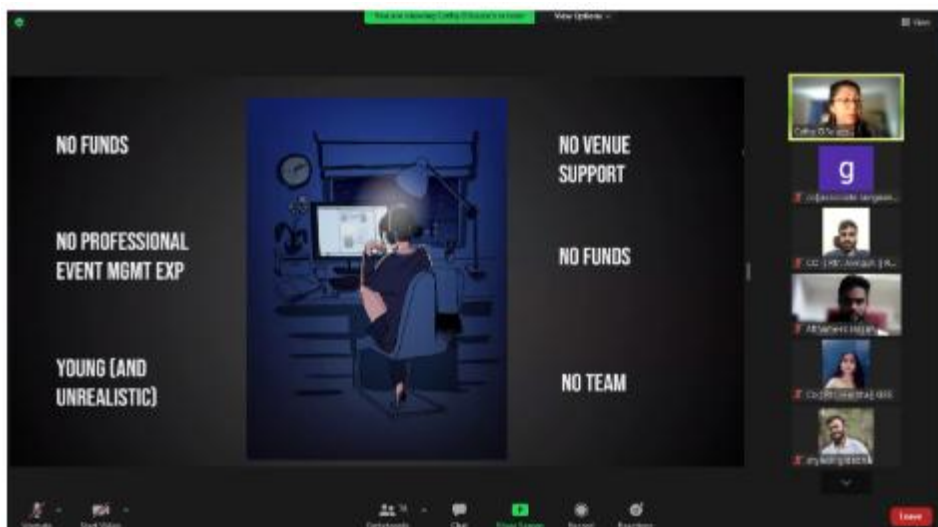

We the **Rotaract Club of Crescent**, sponsored by **Rotary Club of Madras Mount** (Rotary International District **3232**), had collaborated with **Rotaract Club of Madras** as Host Club along with 3 other clubs for an online Professional Service Project called "**IKIGAI**". This event was held on **25th November 2021** through **Zoom** meeting.

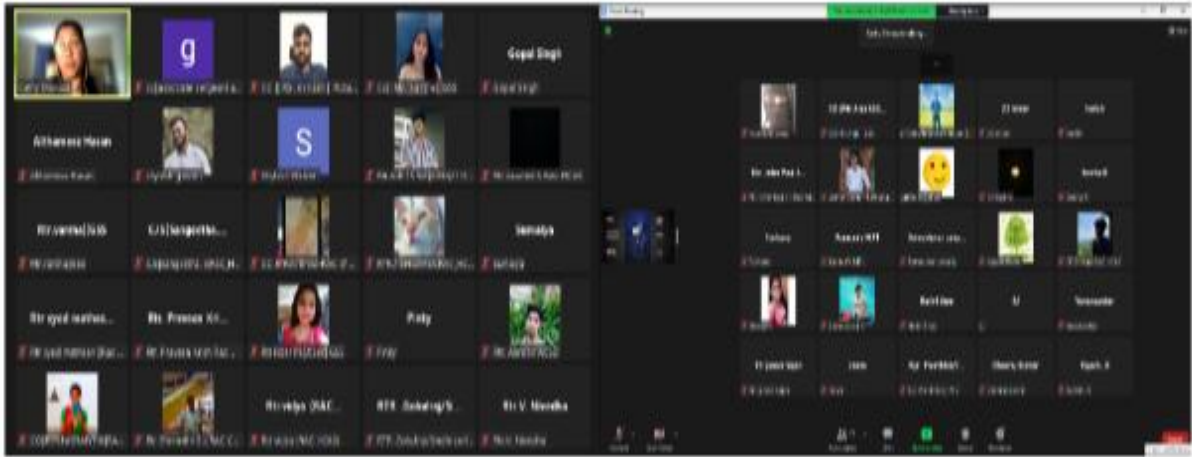

The event started at 7 PM and around 80 participants were present for the session. District Officials, Presidents and Secretaries and fellow rotaractors attended the session. Rtr. Shrimathi was the Co-Chairperson for this Project.

It was a highly motivating session by speaker **Cathy DeSouza**, CEO of Curiosum Tech Private Limited. Cathy DeSouza detailed upon how she overcame the struggles of being a woman entrepreneur and successfully achieved her dream. She also advised the fellow rotaractors on **various topics like mental health, setting priorities, and self-motivation.**

We are grateful to the speaker, Cathy DeSouza, for enlightening and motivating us. We thank all the District Officials, Presidents and Secretaries who attended the session. A very special thanks to the board members for giving us their full support to the event by providing their valuable time. We would like to extend our gratitude towards our fellow rotaractors who are the pillar of support for this entire project.

“Passion is the fuel behind a successful career. Do what you love and success will follow.”

DAY- 2

The second day is on 11 th December 2021 where Rtn/Rtr. PDRR. Girish E took a session about the future of rotaract “ELEVATE ROTARACT”. His session was so knowledgeable that made everyone understandable. Total number of beneficiaries were 75.
