CELEBRATION OF NATIONAL GIRL CHILD DAY

As per the directions given by the Women and Child Development., Govt. of India to Celebrate National Girl Child Day in the country on January 24 every year with an objective to provide support and opportunities to the girls of India, NSS Unit of BSA Crescent Institute of Science and Technology organised a Webinar on **“Importance of Girl Child”** to commemorate this historic day as part of Azadika Amrut Mahotsav. The event was presided over by the Institute NSS Coordinator , Dr.Ayub Khan Dawood , and the Chief Guest on the occasion was Dr.Nisha Mukund, Technical Manager ,CIIC,BSACIST. The programme aims towards promoting awareness about the rights of the girl child and to increase awareness on the importance of girl education, and their health and nutrition and also to promote the girls position in the society to make their living better among the society.

The programme began with a formal welcome address and introduction of chief guest by Ms.Sonya, NSS Programme officer. In the presidential address, the Institute NSS Coordinator,. Dr.Ayub Khan Dawood deliberated upon the need to create a free and equal society and nation based upon inclusion. He reiterated our institute support and commitment to provide all possible help and assistance in bringing forward better opportunities for the girls especially, by focusing on making them self-reliant and financially independent.

Speaking on the occasion, Dr.Nisha Mukund, the Chief Guest of the webinar, focused on two important aspects on the National Girl Child Day celebrations- How to build confidence and Empowerment through innovation. Dr.Nisha , shared her experiences and expertise regarding this empowerment through innovation among the girl children. The Faculty and NSS volunteers interacted with chief guest and debated about various aspects of gender development in 21stcentaury .

The programme concluded with a formal vote of thanks by Student Volunteer, Ms. Asmaa Areef. The programme was coordinated by the NSS Program Officer Dr.C.Srinivasan. More than 70 students' volunteers and faculty participated in the event.

NATIONAL LEARN ABOUT BUTTERFLIES DAY

National Service Scheme (NSS) and Youth Red Cross (YRC) of B.S.A. Crescent institute of Science and technology celebrated National Learn About Butterflies Day on March 14th, 2022 in Arignar Anna Zoological Park - Vandalur Zoo, Chennai Tamilnadu. Mrs. Shankari Padmanaban, Conservation Educationist guided the entire students team and gave a complete information about the Butterfly Park.

Nearly 60 students of BSACIST visited Butterfly Park of Vandalur Zoo. Butterfly Park with nectar, host plant gardens and indoor conservatory has inspired the students. The indoor conservatory was in the shape of caterpillar. A photo gallery, larval rearing lab and pupa rearing lab have also been established inside the indoor conservatory. The two nectar gardens and three host plant gardens have been planted with nearly 200 species consisting of trees, shrubs, herbs, climbers, grasses, palms and reeds. Suitable signage boards have been erected along the walk paths depicting the details of life history, ecological role, behaviour, butterfly, gardening, butterfly watching, photographing butterflies etc.,

YOGA COUNTDOWN DAY PROGRAMME 17.05.2022

National Service Scheme (NSS) of B.S.A. Crescent institute of Science and technology organised Yoga Countdown Day Programme of The Ministry of Communications as Part of International Day of Yoga 2022 on May 17th, 2022 at Sports Village, BSACIST. The event was aimed at creating awareness about yoga and its ability to enrich human lives. Yoga is an ancient Indian practice that allows the mind and body to work together in harmony. It includes stress reduction, relaxation, and rejuvenation techniques such as meditation, breathing exercises, and stretches. Yoga is essential for college students' physical and emotional wellness. Yoga allows students to be healthy in both body and mind, allowing them to flourish academically.

Dr. Kumudha L, M.D, DA, Dean of Tagore Medical College and Hospital, Vandalur graced the occasion and appreciated for organising this event on World Hypertension Day, May 17th 2022. She also insisted to start practising Yoga on this day to get rid of hypertension and lead a healthy life.

The poster features a central silhouette of a person in a yoga pose against a background of flowing, ethereal patterns. The text is arranged in a structured, top-down manner, providing all necessary details for the event.
